

FAASTeam CFI Workshop Module #1

This is Workshop Module #1 in a series of 8 modules. This Module will cover information about the FAASTeam and the WINGS Pilot Proficiency Program. A FSDO Operations Inspector will be on hand to discuss the initial CFI checkride. This program is open to all CFIs, CFI wannabes, pilots interested in the FAASTeam and those interested in the changes to the new WINGS Program.

Directions: From I-5 North or South follow the signs to Boeing Field. Galvin Flying Services Flight Training Building is located north of the Boeing Field Terminal Building and just about 100 yards north of Galvin Executive Terminal. The CFI Workshop will be held in the classroom just inside the glass entry doors.

A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!
